October 29, 2021

The Honorable Mayor and City Council City of Saint Marys 11 LaFayette Street Saint Marys, PA 15857

Re: 2021 BUDGET MESSAGE

Dear Mayor and City Council Members:

In accordance with the City of Saint Marys Home Rule Charter, Section 602, the following budget for the fiscal year 2022 is presented for adoption.

Budget workshops will be held November 4th, 8th and on the 9th if necessary at 6pm in the City Council Chamber. The date of the public workshop will be published as required by law.

On behalf of the City of Saint Marys, I am pleased and honored to submit to you my first Proposed Annual Operating Budget. This document is the result of careful planning and thorough deliberation by myself and staff on how to best meet immediate operational needs while maintaining and enhancing the delivery of programs and services for our community. Also, this budget focuses on continuing our forward movement in direction of promoting the City of Saint Marys through services, economic development, and improvements, as a community that provides great opportunity and inviting quality of life. It incorporates a vision to further new economic development and commit to making fiscally responsible investments in our infrastructure and workforce. This budget holds to the commitment to improving the community in which we hold so dear to our hearts and pathways for future generations.

With regard to personnel, I am proposing the City's workforce be increased by three (3) positions. The positions being proposed are a Deputy Economic Development Director and two (2) Operators for the Street Department. By adding a Deputy Director to the Economic Development Department, we will be increasing the productivity of the Department and will be able to take on additional projects, secure additional grant funding and administrative funding, provide more direct benefit programs to residents, allow the Director to cross-train and spend more time working with developers and business owners to recruit, expand, and facilitate meetings with the city team along with our local, county, state and federal partners and agencies. Pertaining to the two (2) Operators for the Street Department, I feel it is necessary to create a 2-person miscellaneous/complaint response crew for our residents. Timely response to complaints and safety issues is a critical and necessary element of the Department of Public Works' scope of responsibility. One of the chronic issues affecting the Street Department's ability to complete preventative maintenance is a growing emphasis on completing complaint-driven work and

11 LAFAYETTE STREET· ST. MARYS · PENNSYLVANIA · 15857 PHONE (814) 781-1718 · www.stmaryspa.gov · FAX (814) 834-1304

City of St. Marys, PA Office of the Manager

request for assistance from other departments. It is obviously important to address complaints from residents, especially if the issues in question could potentially impact public safety. However, the current practice of deploying entire crew to respond to issues draws limited resources away from core preventative maintenance work. Good customer service requires a timely response to complaints; however, by designating a two-person triage crew to respond to most complaints, the Department will be able to efficiently address issues while limiting the amount of staff deployed to address complaints and requests.

I encourage you to read the details provided by our Finance Director in her attached Budget Message. She clearly outlines the changes in our 2022 Budget and provides great details on how the Budget is structured and the deficit we are currently facing. She has listed options to combat these shortfalls without cutting programs and services to our community. Overall, it is very informative and will give you details needed as you prepare for the budget workshops.

In closing, I want to send my sincere thanks to the City staff for all their hard work and dedication in the development of this budget. They have spent considerable amount of time on this budget, and I look forward to reviewing it with Council at our upcoming sessions.

Sincerely,

Joseph T. Fleming City Manager

BUDGET INFORMATION

BUDGET CHANGES - MEETING ON NOVEMBER 8TH, 2022

GENERAL FUND

- City Council proposed to increase the Real Estate tax for the 2022 budget. The real estate tax revenue for the General Fund will go from 12.5482 mills to 13.0482 mills an increase of 0.5 mills. This will generate an additional tax revenue of \$104,886.
- City Council proposed to increase the Earned Income Tax for the 2022 budget. The Earned Income Tax will increase from 0.7% to 1% an increase of 0.3%. This will generate an additional tax revenue of \$874,210.
- Total estimated tax revenue increases of \$979,096 will balance the General Fund and provide a transfer to the Capital Reserve Fund of \$403,594.

| General Fund Deficit | (\$575,502) |
|---|--------------------|
| Revenue: Increase in Real Estate Tax Millage of 0.5 Mills Increase in Earned Income Tax of 0.3% | 104,886 874,210 |
| Expenditures: Capital Improvements - Transfer | (403,594) |
| Total Changes made to the General Fund Budget -2022 | \$575,502 |

The real estate tax will be imposed on all residents who own property in St. Marys. The increase to their tax bill will be determined by the taxable assessed value of their property. If the homeowner's property is assessed at 40,000, the tax bill will increase \$20 for 2022 for the St. Marys portion of the real estate tax bill.

The earned income tax will be imposed on all wages earned by St. Marys residents. If a St. Marys resident earns \$50,000 a year, the earned income tax increase will be \$150.00

RECREATION FUND

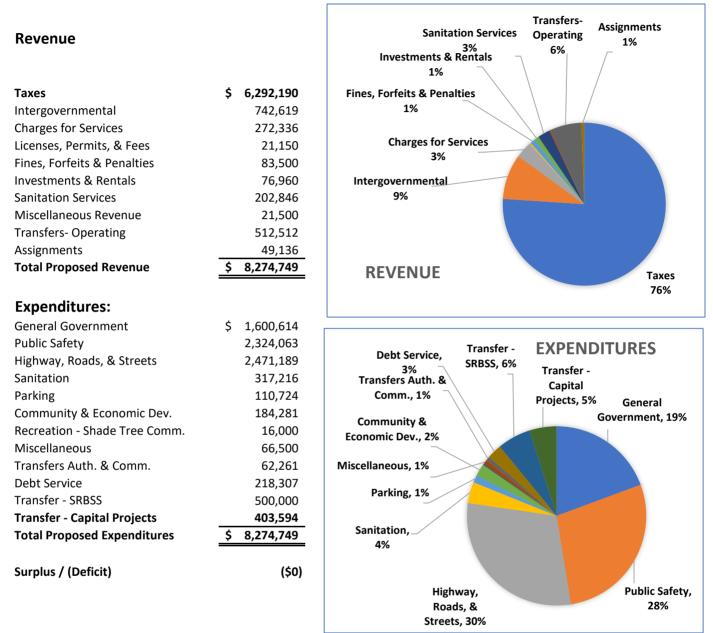

- City Council proposed to increase the Real Estate tax for the 2022 budget. The real estate tax revenue for the Recreation Fund will go from 1.2 mills to 1.7 mills an increase of 0.5 mills. This will generate an additional tax revenue of \$104,886.
- This increase in real estate tax revenue will balance the Recreation Fund budget and provide funding for capital projects for the Recreation Fund.

| Recreation Fund Deficit | (\$19,200) |
|--|------------|
| Revenue: Increase in Real Estate Tax Millage of 0.5 Mills | \$104,886 |
| Expenditures: Capital Improvements - Transfer | (\$85,686) |
| Total Changes made to the Recreation Fund Budget -2022 | \$19,200 |

The real estate tax will be imposed on all residents who own property in St. Marys. The increase to their tax bill will be determined by the taxable assessed value of their property. If the homeowner's property is assessed at 40,000, the tax bill will increase \$20 for 2022 for the St. Marys portion of the real estate tax bill.

General Fund - Budget Summary

OPERATING BUDGET

CAPITAL IMPROVEMENT PLAN

The City's goal every budget year is to increase the Capital Improvement Plan Fund by 10% of the General Fund's budget

| General Funds 2021 Budget | \$ 8,274,749 |
|---------------------------------------|-----------------|
| - 10% Goal | \$827,475 |
| Budget transfer for 2022: | \$ 403,594 |
| Amount Needed to meet 2022's Goal: | \$423,881 |

The 2019 Unassigned Fund balance in excess of 20% of the 2020's budget was \$572,179 This amount was transferred in 2021 to the Capital Reverse Fund for capital projects.

The estimate of Unassigned Fund balance should be \$500,000 for Year 2020

For 2022 the unrestricted fund balance transfer into the capital reserve fund is expected to be \$200,000

RECREATION FUND

City of Saint Marys Proposal for Changing Sewer Rates Budget Year - 2022

Proposal #3 - to Change the 2021 Sewer Rate for all customers:

Residential Customers:

- 1 Monthly sewer base rate will change from \$50.50 to a Quarterly sewer base rate of \$136.50
- 2 Impose a surcharge fee of \$6.80 per TG for any resident who uses over 9 TG's of water a Quarter.
- 3 Residents will be billed quarterly based on the water consumption readings provided by the St. Marys Water Authority.
- 4 All residential service addresses will be charged.

Mixed-Use (Commercial With Residential) Customers:

- 1 If a mixed-use complex has only one water meter than the following charges will apply:
- 2 Rates are set on a quarterly basis
- 3 If there is residential housing in a mixed-use complex then the landlord will be billed a base rate of \$136.50 for each residential service address in that complex. The landlord will receive a credit up to 9 TG's of water usage for each of the residential service address located in the mixed-use complex.
- 4 The landlord will pay for every commercial or other customer a base rate fee based on meter size listed:

| Base Rate |
|------------------|
| <u>Quarterly</u> |
| \$151.50 |
| \$165.00 |
| \$180.00 |
| \$225.00 |
| \$375.00 |
| \$750.00 |
| \$1,500.00 |
| |

- 3 The landlord will pay no less than 3 TG's a Quarter for water consumption at a rate of \$6.80.
- 4 The Customer will be billed quarterly based on the water consumption readings provided by the St. Marys Water Authority.

Non-Residential Customers:

1 The sewer base rate will be determined by the water meter size provided by the St. Marys Area Water Authority as listed below:

| Base Rate |
|------------------|
| <u>Quarterly</u> |
| \$151.50 |
| \$165.00 |
| \$180.00 |
| \$225.00 |
| \$375.00 |
| \$750.00 |
| \$1,500.00 |
| |

- 2 The consumption rate will be \$6.80 per TG's of water usage.
- 3 The Customer will be billed quarterly based on the water consumption readings provided by the St. Marys Water Authority.

To The Residents of St. Marys and to City Council

Presented in the next 80 or so pages is the proposed budget for the City of St. Marys for year 2022. This document displays the budget into two major categories: Governmental Funds and Enterprise Funds. Governmental funds include the general fund, special revenue funds and capital funds. The enterprise funds include the operations of the sewage treatment plant; the maintenance of sewer lines and the capital cost to maintain the plant and the sewer lines.

In this budget there are four major items that are focused on:

- ° Balancing the General Fund
- ° Establishing a revenue source for the Capital Reserve Fund for capital projects
- ° Setting sewer rates for Industry and Other sewer customers
- ° Establishing a true Capital Projects Fund for the Enterprise funds Sewage Treatment Plant and Sewer Lines

General Fund

The General Fund is the operating fund for the City, which pays for cost related to administration, public safety, public works and economic development.

Total proposed revenue for 2022 is \$7,295,653. This is \$24,776 less than last year's budget and the proposed expenditures are \$7,871,155 which is \$356,751 more than last year. This leaves a deficit of \$575,502 for 2022.

This budget does not include any transfers to the Capital Reserve Fund for capital projects.

Revenue

The majority of revenue collected in the general fund or any of the governmental funds is tax revenue. Tax revenue makes up 73% of all revenue collected. Of this 52% is in real estate taxes and 40% is in earned income tax. Local service tax makes up 6% of the tax revenue and 2% is from realty transfer tax.

Real estate tax revenue has been flat for the last four to five years with collections of \$2.6M. The assessed value of taxable property ranges from 2016 of \$218,414,178 to year 2022 of \$220,812,675 a difference of \$2,398,497. In dollars this is an increase in real estate tax revenue of \$44,460 from 2016. For 2022, real estate tax revenue was budgeted with a .3% increase, the assessed value increased from last year by \$662,495.

° Increases in tax revenue: \$18,230; real estate tax - \$8,230 and real estate transfer tax - \$10,000.

Decreases in Intergovernmental revenue: \$61,769; PUC Drilling Fees from Act 13 - \$67,300; Act 205 Pension aid - \$22,491
 Act 205 - Fireman's Relief \$7,756 and an increase in grant funding through ECCD for the Jackson Rd project of \$30,778

[°] Increase in Assignments - Transfer from OPEB account of \$17,500 and from the Pension Liability account of \$3,661 Total decrease in revenue for 2022 is \$24,776 or .3%.

Expenditures

General Government (administration), Public Safety and Public Works make up the majority of the expenditures for the general fund. General government is 20% of the budget; Public Safety, which includes the police, code enforcement and the zoning departments is 30% of the budget and the Public works make up 31% of the budget. Transfers to the reserve account for streets, roads, bridges, and storm sewers make up 6% and the remaining 13% is economic development, parking debt service, and community transfers.

Total expenditures increased 4.75% or \$356,751. Wages and benefits increased \$241,348 and operating cost increased \$115,403. Payroll and employee benefits equals 59% of the budget at \$4,670,000 and operating cost is \$3,201,155 or 41% of budget.

General Government expenditures increased \$40,395 or 2.59%.

- ° Manager's office increase of \$14,820; Wages & Benefits of \$6,495; Tyler Software of \$6,800 and bond cost of \$1,775
- [°] Finance Department increase of \$43,232; Wages & Benefits of \$16,981; Software support of \$23,500; HR cost of \$2,750
- * Law Solicitor Fees \$30,000 with the elimination of the HR office a savings of \$88,000 Negotiation cost of \$30,000 added.
- ° City Hall Expenses \$27,789 Wages & Benefits of \$7,151; Communications \$18,000; Office supplies of \$3,000

To The Residents of St. Marys and to City Council

Expenditures - Continued

- Public Safety expenditures increased \$58,284 or 2.57%
- ° Police Department increase of \$45,198; Wages of \$2,192 & Benefits of \$44,024
- ° Code Enforcement increase of \$4,958; Wages & Benefits of \$3,400
- ° Planning & Zoning increase of \$7,628 which is Wages & Benefits of \$6,028

Public Works expenditures increased \$179,094 or 7.8%

[°] Administration - increase of \$137,816; Wages & Benefits of \$133,416 - this budget includes 2 additional Level 1 truck drivers at 75% of the base rate. The work load for these 2 employees will focus on resident request. This will eliminate pulling the public works staff off of major jobs. In the down time and the winter months, they will plow snow and work with the public works staff.

° Streets & Bridges - increase of \$30,778; This is the Jackson Rd Project that the City has been funded through the Elk County Conservation District for the last few years. Budgeted grant revenue of \$170,778 will cover the cost of \$170,778.

Community Economic Development expenditures increased \$83,894 or 83.6%

- * Wages increase of 49,028 This includes an additional employee Deputy Director for Economic Development of \$40,000
- ° Benefits increase of \$30,366 benefits for new additional employee added to the department.

Community Transfers:

- ° Shade Tree Commission Requesting an additional funding of \$7,000 budget from \$9,000 to \$16,000
- ° Airport Authority Reduction of \$7,500. Requesting \$7,500 for Audit and \$5,000 Additional Funding Reduction of \$20,000 from previous audit fees.
- ° Elk County Humane Society \$7,500 same as last year's funding
- ° Council on the Arts \$1,961 same as last year
- ° Memorial Parade \$300 same as last year
- ° EDC \$5,000 same as last year

Deficit

The deficit for the general fund for this year is at \$575,502. Of this \$193,975 is brought over from last years budget. The budget was balanced last year with a portion of the unrestricted fund balance (cash on hand). If there are no increases in revenue or reduction in expenses this deficit will continue to carry from year to year. So this years deficit is the difference between the revenue and expenditures for this budget which is \$381,527. Of this amount \$24,776 is a reduction in revenue and \$356,751 is an increase in expenditures.

For real estate tax revenue - nothing has really changed since 2011. That was the last year that City Council raised real estate rates. The rate was increased by 1.91 mills. In 2011 we collected \$2,590,980 in current real estate taxes. In 2020 the collections were \$2,609,010 a difference of \$18,030. In 2019 current real estate tax collections were \$2,593,898 and 2018 they were \$2,620,984. For earned income tax; in 2011 we collected \$1.3M in EIT revenue and in 2020 it was \$2.031M and \$493,354 of this is reserved for the streets & bridges account which leaves 1.538M left in the general fund. This is an increase in 10 years of \$238,000.

For expenditures - the increase is \$356,751.

For wages and benefits the net increase is \$292,000. Most of this is the 3 new employees in this year's budget. 2 employees for the street department which total in wages and benefits of \$133,000 and the new deputy director for the community economic development department totaling \$72,000. A total of \$87,000 is the increase in wages & benefits for the remaining employees. So that leaves an increase in net operating cost of \$65,000. Of this \$40,000 is the maintenance contract for the new accounting program - Tyler; \$18,000 from Salter Communications; the Jackson Rd Project of an increase cost of \$31,000;

So revenue is flat and the increases in the expenditures are the additional cost to serve the public in a better way. We knew last year when we balanced the budget with available cash that we would need the additional revenue for the following years. But raising taxes for 2021 was something that no one would have done. But that doesn't mean that it should not have happened. We are at a place that we could cut cost from this budget; but how much do you cut and what affect will that have on the services to the community. If so, we would need to cut services and programs every year.

To The Residents of St. Marys and to City Council

Deficit - Continued

It has been 10 years since real estate taxes were increased in the General Fund. Cost of living since then has risen 17.8%. In 2011, one of the reasons to raise taxes was to cover the increase in pension cost. Later when the Act 205 monies covered the pension cost the tax increase helped pay for the wages and benefits and increases in the cost to operate the City. Cost of material and services are going to continue to increase and make it impossible to balance the budget with the tax revenue that we are currently receiving.

We are at a point that we need to find additional funding for the general fund. Unless we can obtain a different revenue source, increasing tax revenue is an option. Listed below and In the next two pages break down options that City Council may choose to increase tax revenue.

If taxes are raised just enough to balance the General Fund budget, there would be no budget amount for capital cost to be transferred into the Capital Reserve Fund. It is very important at this time to establish the revenue source needed to fund capital purchases. If we do not transfer from the General Fund, we will not have any money by 2023 or 2024 for road and street infrastructure, vehicle replacements, land and building improvements as well as any equipment needed. If we want to encourage businesses to relocate to the City then we need to provide them with the services needed to do so.

The proposals listed on the following 2 pages are only suggestions.

Proposal #1 - To increase the real estate taxes by 1/2 of a mill and to raise the earned income tax an additional .3% - revenue increase of \$979,096 Proposal #2 - To increase the real estate taxes by 1 mill and to raise the earned income tax an additional .15% - revenue increase of \$541,991 Proposal #3 - For budget years 2023, 2024 and 2025 raise the real estate tax revenue by .5 mills. This will increase the general fund \$104,886 in 2023; for 2024 - \$209,772 and in 2025 an increase of \$314,658 yearly.

This will balance the budget yearly and provide additional funding for the capital reserve fund.

Listed below shows how these proposals will effect the resident based on wages earned and the property assessed value of their homes.

| Yearly | INCREA | SE TO RE | SIDENT F | OR EIT | |
|-------------------|--------|----------|----------|--------|-------|

| Surplus (Deficit) | \$ (575,502) | \$ (470,616) | \$ (138,397) | <u>\$</u> - | <u>\$</u> - |
| Proposed .5 Mill Real Estate Tax Proposed .15% Earned Income Tax Proposed .30% Earned Income tax TOTAL PROPOSED TAX INCREASES FOR | 2022 BUDGET: | \$ 104,886 | \$ 437,105 | \$ 874,210 | \$ 104,886 \$ 437,105 \$ 437,105 \$ 979,096 |

Column 1 shows the current proposed budget for this year. This budget has a deficit of \$575,502. Of this \$193,975 is a deficit carryover from last year. The \$381,527 deficit for this year is a combination of a decrease in revenue (\$24,776) and in increase in expenditures (\$356,751).

Column 2 shows an increase in the real estate taxes of .5 mills. This will generate an additional tax revenue of \$104,886. Total General Fund tax mills will be at 13.0482. For the resident: A property assessed at \$20,000 would see an increase of \$10 and for a property assessed at \$50,000 will see an increase of \$25.00. With this increase, the General Fund will show a deficit of \$470,616.

Column 3 shows an increase in the earned income tax rate of .15%. This should generate \$437,105 in tax revenue. Total EIT rate for residents would be 1.35%. For the resident: If you earned \$35,000 yearly your tax would increase \$52.50 yearly and if you earned \$75,000 yearly; your EIT will increase \$112.50 yearly. With this increase, the General Fund will show a deficit of \$138,397.

Column 4 shows an increase in the EIT .3%. This the highest the City can raise the EIT rate. This will generate \$874,210 yearly in additional revenue. As in Column 3 - if you earned \$35,000 yearly your tax will increase by \$105 and if you earn \$75,000 a year the increase will be \$225 or \$4.33 a week.

Column 5 shows both increases - the .5 Mills of real estate taxes and the .3% increase in the earned income tax. For this increase .15% would be designated as the revenue source for the capital improvement plan and would be transferred to the Capital Reserve Fund yearly. That yearly transfer would be roughly \$403,594. This is not the total .15% of EIT. \$33,511 would have to remain in the general fund to balance the budget.

BUDGET MESSAGE

Capital Reserve Fund:

The capital reserve fund was established in 2015 and is used for infrastructure, buildings & improvements, land accquisition and equipment purchases for general fund purposes. When this was established the initial transfer came from the general fund to support the expenditures. A revenue source was never established to fund these purchases. From 2015 to the present \$3,931,907 was transferred from the general fund to the capital reserve fund. This number is calculated by holding back 20% of next year's budget of the unrestricted fund balance. So if the funds are not spent in a budget year, it is transferred to the capital reserve fund for capital projects with allowing the reserve of 20% of next years budget to remain in the general fund. So we are dependent on what is remaining in the general fund at the end of the year for capital funding.

The EIT increase of .15% or \$437,105 will give the capital reserve fund a revenue source to fund capital projects from year to year. Listed below is the cash flow expectations of the funding and uses for the capital reserve fund with the EIT funding.

| | | CASH FLOW | | | |

| | | | | | |

CAPITAL RESERVE FUND

Transferring the unrestricted fund balance is not a guarantee so I estimated \$200,000 for years 2023 through 2026. So if we can transfer the .15% EIT increase and at least \$200,000 from the general fund through the unrestricted fund balance we should be able to complete capital projects needed.

Total capital cost for 2022 for the General fund is \$1,373,125.

- [°] General Government Upgrade to City Hall Elevator \$190,000; Cameras at the Parking Garage \$50,000; Tyler Computer Software \$100,000; yearly budget of Improvements of \$35,000 and computers of \$8,000
- Public Safety Patrol Vehicle replacements of \$96,000, Computer upgrades \$10,000 and the Automated License Plate Readers 2 units \$35,425 - this will be offset by a PCCD grant 100%
- Public Works Infrastructure of \$320,000; Berm Replacements \$110,000; Screen & Crush Millings \$15,000; Vehicle Replacements of \$304,000; Equipment \$99,700

To The Residents of St. Marys and to City Council

Special Revenue Funds

Special Revenue Funds are funds that are for specific purposes and have a real estate tax millage. Street Lighting Tax Fund, Fire Protection Fund, Recreation Fund, Library Fund, Ambulance Fund, Fire Hydrant Fund and the Debt Fund are special revenue funds. The City maintains the Shade Tree Fund. This fund has no tax revenue and receives revenue as an operating transfer from the General Fund. The Shade Tree Commission requested \$16,000 for their budget. In 2021 Council granted them \$9,000. All of the special revenue funds are balanced with the exception of the Recreation Fund and the Fire Hydrant Fund. The Recreation Fund balanced their budget with cash on hand of \$19,200 and the Fire Hydrant fund balanced their budget with cash on hand of \$2,913.

Enterprise Funds

The Enterprise funds consist of the Sewage Treatment Fund, Sewer Fund, I & I Fund and the Sewer Line Replacement Fund. The Sewage Treatment fund is the operating fund and the sewer, I & I, and sewer line replacement funds are capital funds. Total proposed revenue is \$3,974,014 and total proposed expenditures are \$3,974,014 leaving a balanced budget.

Revenue

The City contracted with HRG, Inc. to do a rate study on the sewer system for non-residential customers. The report restructured the billing rates for industry and other customers. The base rate stayed a flat rate and the charge was based on the water meter size. The rates ranged from a 5/8" x 1/2" meter at a monthly base rate of \$50.50 to a 4.0" meter at a monthly base rate of \$2,525. The report also supported a consumption rate of \$6.65 per thousand gallons of water usage. Based on the 484 customers that are either industry or non-residential and by the estimated meter size that they had, this would generate an additional income of \$888,800. This additional funding would be used for capital projects at the sewage plant and for repairs and replacement of the sewer lines.

With an increase of this magnitude, the industry with the most consumption or water meter size in town would see a substantial increase in their sewer service bill.

The rates were modified for this budget. The rates were changed so that the revenue did increase but did not put an unwanted burden on the customer. A rate structure increase over a period of time might be the best option to generate the money needed for capital cost. The new rate is based off the study provided by HRG with the base rate being a flat rate and based on the meter size. The rate will stay the same for the $5/8" \times 1/2"$ meter at \$50.50 and will increase upward to \$500 for a 4" meter. The consumption rate will be at \$6.75 per thousand gallons of water usage. This will generate an additional funding of \$383,300. The largest industry customers will see an increase in their sewer bill but not as large as the original proposal from HRG.

The rate for residential customers will remain the same at \$50.50. This is a flat base rate with no consumption charges.

Expenditures

Total expenditures for the Sewage Treatment Fund budget is \$3,974,014. This also increased \$364,322. Increases of \$263,327 are for the sewage treatment plant. The NPDES permit fees increased \$169,500, sampling analysis increased \$26,400 and repairs to machinery increased \$25,000 for this budget year.

The transfer to the capital funds - Sewer Line Replacement and the Sewer fund increased \$130,573. A total of \$1,535,388 will be transferred to the capital funds for capital projects. On page 78 of this report shows the projects that will be completed this year and the following pages the projects projected to be completed over the next 10 years.

Total capital cost for this year total \$3,162,000. The Erie Avenue/Washington Street sewer line replacement of \$2.5M will be completed in 2022. Also scheduled for the sewage plant is improvements to land of \$20,000; Buildings of \$75,000 and equipment purchases of \$367,000. There will be \$200,000 earmarked for I & I improvements.

To The Residents of St. Marys and to City Council

Applying the City's Real Estate Tax bill to the Budget

Every homeowner will receive their real estate tax bill in early March of each year. This bill also shows the taxes due to Elk County.

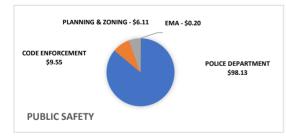

The homeowners bill is based on the assessed value of the property and the City's tax rate (18.5362) for that year. A property with an assessed value of 25,000 will pay in City taxes \$463.41 yearly. 25,000 / 1000 x 18.5362 = \$463.41

Listed below shows where the \$463.41 in tax dollars will be spent;

| General Fund | \$313.71 |
|--------------------------|----------------|
| Street Lighting | \$12.50 |
| Fire Protection | \$35.00 |
| Recreation - Parks/Pool | \$30.00 |
| St. Marys Public Library | \$14.50 |
| St. Marys Ambulance | \$2.50 |
| Fire Hydrant Service | \$7.50 |

| | \$463.41 |

The General Fund is broken down into different departments. The major departments are the administration, pubic safety, and public works.

Listed below shows the breakdown of the tax dollars received for **Public Safety**

Listed to the right is the history of revenue and expenditures compared to the inflation rate for each year. Listed is revenue received less any loan proceeds.

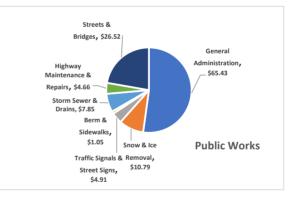

- * Audit not complete
- ** Budget Information

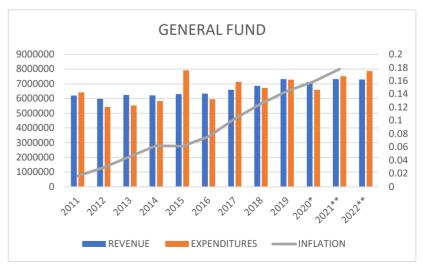

Inflation rate is based from the information from the US Bureau of Labor Statistics - CPI inflation calculator.

Listed below shows the breakdown of the tax dollars received through the **General Fund**

| Administration | \$78.51 |
|----------------|----------|
| Public Safety | \$113.99 |
| Public Works | \$121.21 |
| | \$313.71 |

Listed below shows the breakdown of the tax dollars received for **Public Works**

BUDGET INFORMATION

Real Estate Taxes

- There is a proposed real estate tax increase of .5 mills to 1 mill for the 2022 General Fund budget.
- Total Real Estate tax millage currently is 18.5362 mills. The General fund receives 12.5482. A mill is worth \$220,813. Total estimated real estate tax revenue for 2022 is \$4,093,028 without the tax increase. The City budgets to collect 95% of the real estate tax revenue amounting to \$3,888,377. The additional .5 mills will generate an additional \$104,886 additional 1 mill will generate an additional \$209,772
- Taxable assessed value of property in the City is estimated at \$220,812,675. This is an increase from last year of \$662,495. This is an increase of \$12,280 in current real estate taxes. .3%
- History of Millage Increases:

| 2022 | - | 0.5 to 1 mill - | General Fund |
|------|---|-----------------|----------------------|
| 2016 | - | 0.2 mills - | Fire Protection Fund |
| 2011 | - | 1.91 mills - | General Fund |

Millage Transfers:

2018 - 0.3 mills from Street Lighting Tax Fund to Recreation Fund

The median assessed value of homeowners property in St. Marys is \$24,000. So the majority of taxpayers pay around \$445 in City real estate taxes.

A resident who owns a home in St. Marys that has an assessed value of \$24,000 will pay \$1,683 in real estate taxes.

Of this amount \$445 goes to the City; \$388 goes to Elk County and \$850 goes to the St. Marys School District.

• Earned Income Tax

Proposed Increase for year 2022: .3% for City .15% will remain in the General Fund .15% will be transferred to the Capital Reserve Fund for capital projects.

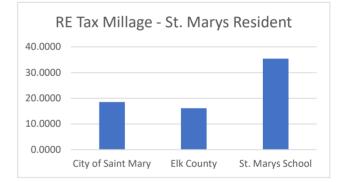

.15% increase will generate \$437,105 .3% would will generate \$874,210

A resident earning \$35,000 yearly would pay an extra \$105; the resident earning \$50,000 would pay an extra \$150 yearly; and if you earned \$75,000 a year, your EIT would increase by \$225 or \$4.33 a week.

Current rate: 1.2% - City .7% School District .5% 2022 rate: 1.5% - City 1% School District .5%

BUDGET INFORMATION

General Fund:

- Proposed Revenue \$7,295,653
 Proposed Expenditures \$7,871,155
 This leaves a deficit of \$575,502
 Deficit will be covered by:
- * Increase in real estate tax millage of .5 or 1
- * Increase in earned income tax of .3%
- * This will create a revenue source for the Capital Reserve fund
- A revenue source for the capital reserve fund will be created by increasing the earned income tax by .3%. This will allow the City to transfer .15% of this increase into capital projects every year. This should be enough to support the capital fund for future capital purchases.
- Future real estate tax increases will be needed to fund the general & capital funds.
 A proposed increase of .5 mills for the next three years.
- The last time real estate taxes were increased in the General fund was in 2011. This Increase was to cover pension cost and to balance the budget
- Total decrease in revenue is .3% or \$24,776
 Major increases:

 Real Estate Taxes Current \$7,898
 Real Estate Transfer Tax \$10,000
 Charges for Services \$5,170
 ECCD Grant Jackson Rd. \$30,000
 Major decreases:
 PUC Drilling Fees \$67,300

Act 205 - Pension Funding - \$22,491 Act 205 - Fireman's Relief - \$7,750

- Total increase in expenditures is \$356,751 or 4.75% Major Increases: General Government - \$40,395 Public Safety - \$58,284 Public Works - \$179,094 Community Economic Development - \$83,894
- ARPA Funds will not be used to balance the budget. The next Council will decide how to spend the funding. The receipt of funding is for years 2021 & 2022.

Capital Funds:

- Total projects scheduled for this budget year is \$2,687,046Of this \$613,921 is funded through the CDBG program;\$700,000 is through the reserve for streets and roads.No projects scheduled for the reserve for bridgesThe balance of \$1,373,125 is projects proposed in theCapital Reserve Fund for capital projects for 2022.General Government\$383,000Public Safety\$141,425Public Works\$848,700
- Estimated cash available in the Capital Reserve Fund as of the end of 2021 is \$1M. The available funding will pay for the capital projects in 2022 and some of the projects proposed for 2023.
- \$500,000 from the unrestricted fund balance from the General Fund as of the end of 2020 will be transferred into the Capital Reserve Fund in 2022.
- If Council approves the .3% of earned income tax for 2022, there will be a revenue source for the Capital Reserve Fund with an estimated transfer of \$403,594 for 2022.
- Sewage Treatment Plant Proposed Revenue - \$3,974,014 Proposed Expenditures - \$3,974,014 This leaves a balanced budget
- A new rate structure was proposed by HRG for the industry and other customers. The base rate will be determined by meter size. Industry and Other customers will be billed quarterly with a consumption rate. At this time a modified rate structure was incorporated in the Sewage Treatment Fund budget. Council has not had a chance to review the study and how this will effect the community.
- The budget for the sewage plant and sewer lines is balance with additional funding for capital projects.
- Total increase in revenue is 10% or \$364,322
 Major increases: Charges for Services - Change in sewer structure \$367,822
- Total increases in expenditures is 10% or \$364,322
 Major increases:

 Sewage Plant \$263,327 19.4%
 Transfer to Capital Funds \$130,573 9.3%

 Major decreases:

 Sewer Lines \$7,111 (2.5%)
 Administrative cost \$22,467 (9.9%)

Where does the money come from?

The majority of the money needed to balance the City's budgets come from real estate taxes. Every home owner is charged real estate taxes based on the assessed value of their property. This information comes from the County. The County prepares the tax duplicates and delivers them to the Tax Collector to collect the real estate taxes for the County, the City, and the School District. The taxable assessed value for the property in St. Marys for 2022 is estimated at \$220,812,675. The City's estimated real estate millage rate for 2022 is 18.5362 mills. A mill equals 1/1000 of the US dollar. So to figure out what a mill is worth, you would divide the assessed value of all taxable real estate by 1,000. One mill is worth \$220,813. Total estimated real estate taxes for the City of St. Marys would be \$4,093,028. We estimate a 95% collection rate, so for 2022 we should collect \$3,888,377 in current real estate taxes. Your tax duplicate that you receive early March will have the assessed value of your property listed. **A property with an assessed value of 25,000 will pay in City taxes \$463.41 yearly.**

TAX DOLLARS BY GENERAL & SPECIAL REVENUE PURPOSES

Where does the money go?

Council may levy real estate taxes for general revenue purposes and special revenue purposes by an ordinance.

The *General Fund* will receive 12.5482 mills in real estate tax revenue. This amounts to \$2,632,262 This pays for the administration cost to operate the City; the police force and the public works.

The *Debt Fund* will receive 1.908 mills or \$400,245. This will be used to pay for outstanding loans that the City has acquired.

The *Fire Protection Fund* will receive 1.4 mills or \$293,681 in real estate revenue and will be used for fire protection. The *Recreation Fund* receives 1.2 mills or \$251,726. This will be used for creation, operation, and maintenance of parks and programs.

The *Street Lighting Tax Fund* receives .5 mills or \$104,886 which pays for the operating, maintaining and erecting street lights in the City.

The Library Fund receives .58 mills or \$121,668 and this goes directly to the St. Marys Public Library.

The St. Marys Ambulance Association receives from the Ambulance Fund .10 mills or \$20,977.

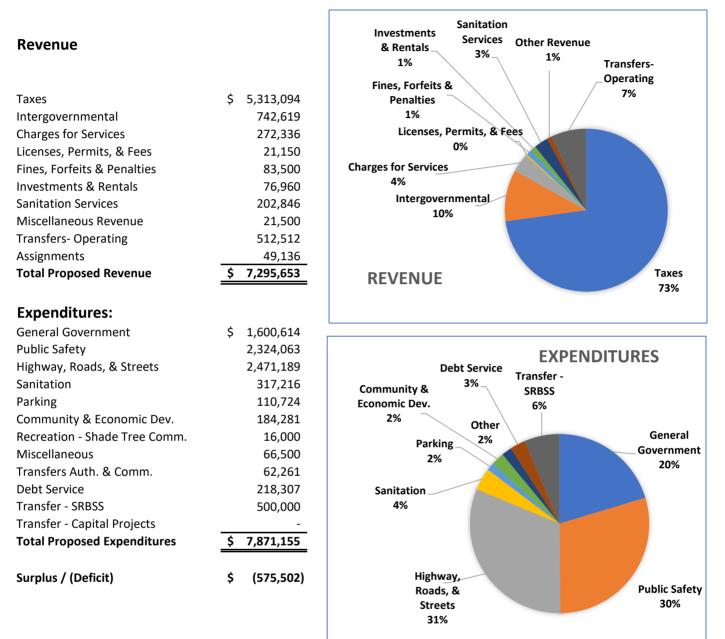

And the *Fire Hydrant Fund* receives in tax dollars \$62,932 or .30 mills and this is used to pay for fire hydrant cost.

General Fund - Budget Summary

OPERATING BUDGET

CAPITAL IMPROVEMENT PLAN

The City's goal every budget year is to increase the Capital Improvement Plan Fund by 10% of the General Fund's budget

| General Funds 2021 Budget | \$ 7,871,155 |
|---------------------------|-----------------|
| - 10% Goal | \$787,115 |
| Budget transfer for 2022: | \$ - |
| Amount Needed to | |
| meet 2022's Goal: | \$787,115 |

The 2019 Unassigned Fund balance in excess of 20% of the 2020's budget was \$572,179 This amount was transferred in 2021 to the Capital Reverse Fund for capital projects.

The estimate of Unassigned Fund balance should be \$500,000 for Year 2020

For 2022 the unrestricted fund balance transfer into the capital reserve fund is expected to be \$200,000

Community & Economic Development

The Community & Economic Development department serves as a communication between the City and the downtown business and local organizations. The department works with the community in developing economic development through grant revenue. Major funding is through the federal and state governments.

Fire Protection Fund

FIRE DEPARTMENT

The Fire Protection Fund receives 7.6% of the real estate tax revenue. This is the only revenue generated to pay for fire protection, maintenance on buildings and for debt service. The Fire Protection Fund revenue is also used to purchase new equipment such as fire trucks.

Listed below is a detail of each total program cost:

| Fire Protection | |

The Recreation Fund is responsible for the administration, maintenance and operating seasonal programs for Memorial, Benzinger, Luhr, Kaulmont and Diamond Street parks and the Pool.

477,377

\$

Tax revenue received equals 6.5% of total real estate tax revenue. The parks & pool charge user fees for programs offered. Park workers wages are offset by PHEAA and Stackpole Hall grants.

CAPITAL RESERVE FUND

The Capital Reserve fund accounts for all major capital purchases over \$5,000 for governmental funds. This entails; equipment, improvements and infrastructural costs.

Revenue to support these expenditures comes from grants, interest earned and transfers from the general fund. The General Fund's goal each year is to invest in capital 10% of total general fund budget.

CAPITAL RESERVE FUND STREETS - ROADS & STORM SEWERS

The Capital Reserve fund - Streets, Roads, Bridges and Storm Sewers was created in the 2019 budget.

Funds allocated to the reserve is for improvements related to streets, roads and bridges.

Revenue to support these expenditures come from the increase in the Earned Income Tax imposed in 2019. 85% of the 2 tenth increase is allocated to this program.

One half of this funding is for Streets, Roads and Storm Sewers and the other half is for Bridges.

City of Saint Marys Proposal for Changing Sewer Rates Budget Year - 2022

Proposal #3 - to Change the 2021 Sewer Rate for all customers:

Residential Customers:

- 1 Monthly sewer base rate will change from \$50.50 to a Quarterly sewer base rate of \$136.50
- 2 Impose a surcharge fee of \$6.80 per TG for any resident who uses over 9 TG's of water a Quarter.
- 3 Residents will be billed quarterly based on the water consumption readings provided by the St. Marys Water Authority.
- 4 All residential service addresses will be charged.

Mixed-Use (Commercial With Residential) Customers:

- 1 If a mixed-use complex has only one water meter than the following charges will apply:
- 2 Rates are set on a quarterly basis
- 3 If there is residential housing in a mixed-use complex then the landlord will be billed a base rate of \$136.50 for each residential service address in that complex. The landlord will receive a credit up to 9 TG's of water usage for each of the residential service address located in the mixed-use complex.
- 4 The landlord will pay for every commercial or other customer a base rate fee based on meter size listed:

| Base Rate |
|------------------|
| <u>Quarterly</u> |
| \$151.50 |
| \$165.00 |
| \$180.00 |
| \$225.00 |
| \$375.00 |
| \$750.00 |
| \$1,500.00 |
| |

- 3 The landlord will pay no less than 3 TG's a Quarter for water consumption at a rate of \$6.80.
- 4 The Customer will be billed quarterly based on the water consumption readings provided by the St. Marys Water Authority.

Non-Residential Customers:

1 The sewer base rate will be determined by the water meter size provided by the St. Marys Area Water Authority as listed below:

| Base Rate |
|------------------|
| <u>Quarterly</u> |
| \$151.50 |
| \$165.00 |
| \$180.00 |
| \$225.00 |
| \$375.00 |
| \$750.00 |
| \$1,500.00 |
| |

- 2 The consumption rate will be \$6.80 per TG's of water usage.
- 3 The Customer will be billed quarterly based on the water consumption readings provided by the St. Marys Water Authority.

| 13. Replace Raw Sewage Pump Control | \$12,000 | | | | | | | | | |
| Panels | | \$50,000 | | | | | | | | |
| 14. Replace Control Panels at State Street Lift Station | | | | | \$35,000 | | | | | |
| 15. Install Level Sensors-Aerobic Digesters | | | | | \$20,000 | | | | | |
| 16. Repair Concrete-Effluent Water Tank | | \$100,000 | | | | | | | | |
| 17. Replace Sludge Thickener Drive Unit | | \$125,000 | | | | | | | | |
| 18. Renovate Final Clarifiers Clari-vac Unit, | | | \$180,000 | | | | | | | |
| Effluent Troughs, Program) 19. Repair Concrete WWTP | | | \$100.000 | £100.000 | | | | | | |
| 20. Repair Concrete Decking (near Sludge | | | \$100,000 | \$100,000 | | | | | | |
| Thickener) | | | \$150,000 | | | | | | | |
| 21. Install Dissolved Oxygen Sensors on Aeration Tanks | | | | | \$20,000 | | | | | |
| 22. Install Dissolved Oxygen Sensors on | | | | | ** * | | | | | |
| Aerobic Digesters | | | | | \$20,000 | | | | | |
| 23. Repair Retaining Wall at North End of WWTP | | | | | \$40,000 | | | | | |
| 24. Replace Portable Flow Meters | | | | \$12,000 | | | | | | |
| 25. Upgrade Automatic Samplers | | | | \$20,000 | | | | | | |
| 26. Install Steps to SBR Tanks (North Side) | | | | \$35,000 | | | | | | |
| 27. Install Steps to Operation Building Roof | | | | \$35,000 | | | | | | |
| 28. Replace Steps to Anaerobic Digester Roof, Tanks | | | | \$35,000 | | | | | | |
| 29. Resurface Blacktop at WWTP | | | | \$100,000 | | | | | | |
| 30. Replace Vactor Truck | | | | \$300,000 | \$300,000 | | | | | |
| 31. Engineering UV System | | | | | | | \$150,000 | | | |
| 32. Engineering and Permitting for Bridge33. Replace Bridge to WWTP | | \$125,000 | \$250,000 | \$250,000 | \$250,000 | \$250,000 | | | | |
| 34. Engineering for Anaerobic Digester Lid | | | \$230,000 | | \$230,000 | \$230,000 | | | | |
| Replacement | | | | \$150,000 | | | | | | |
| 35. Replace Anaerobic Digester Lids | | | | | \$500,000 | \$500,000 | \$500,000 | \$500,000 | \$500,000 | \$500,000 |
| 36. Replace Aeration Tank, Aerobic, SBR Blowers, Install VFD | | | | | \$200,000 | \$200,000 | \$200,000 | \$200,000 | | |
| 37. Upgrade Ultraviolet Light System | | | | | | | | \$250,000 | \$250,000 | \$250,000 |
| 38. Replace Pretreatment Van | | | | | | | \$60,000 | | | |
| 39. Replace Skid Steer | | | | | | | \$75,000 | <u> </u> | | |
| 40. Replace Portable Automatic Samplers and Portable Flow Meters | | | | | | | | \$35,000 | | |
| 41. Replace Refrigerated Automatic Samplers | | | | | | | | \$35,000 | | |
| 42. Replace Portable Pumps and Hoses | | | | | | | \$150,000 | | | |
| 43. Replace Tandem Dump Truck | | | | | | | | | | \$200,000 |
| 44. Repairs to Concrete | | | | | | | \$100,000 | \$100,000 | | |
| 45. Repairs to Buildings | | | | | | | \$100,000 | \$100,000 | | |
| 46. Repairs to Equipment | | | | | L | | \$100,000 | \$100,000 | L | |
| Total | \$462,000 | \$850,000 | \$1,155,000 | \$1,072,000 | \$1,385,000 | \$950,000 | \$1,455,000 | \$1,320,000 | \$785,000 | \$950,000 |
