### Illegal Dumping Reminder

The community recycling center is open to all residents three days a week. We ask that you not leave recyclables outside the door when the center is closed. This is considered illegal dumping and if the weather is bad, any paper products that get wet will have to be thrown away.

Additionally please do not leave electronics at either the community recycling center or the electronics recycling center. Electronics are collected the third Saturday of each month from 9 a.m. until 1 p.m. and they also can be dropped of at the community recycling center during regular business hours.

If you have any questions, please contact the recycling office.
