----------------------------------	---------------------

(There will be no refunds of any permit application fees once the processing of the application has been started.)

### Sewer Billing Rates

- Residential Property Rate.** The rate for service for Residential Properties shall consist of a quarterly flat base rate of \$136.50 (equivalent to \$45.50 per month), plus a quarterly surcharge of \$6.80 for each one thousand gallons of water recorded on the Property's municipal water meter, or fraction thereof, above 9,000 gallons for that quarter. Where there are multiple residential service addresses served by a single water meter, the Property will be billed the full base rate for each service address; but the quarterly consumption charge shall be adjusted by reducing the water usage for the Property by 9,000 gallons for each separate residential service address located on the Property.
- Non-Residential Property Rate.** The rate for service for all other properties besides Residential Properties (commercial, industrial or Mixed-Use Property) shall consist of a

## City of St. Marys Fee Schedule Revised December 8, 2022

quarterly flat base rate assessed by the size of the water meter serving the property, plus a quarterly consumption rate charge, computed below:

(a) The quarterly flat base rate shall be:

<u>Meter Size (inches)</u>	<u>Quarterly Base Rate</u>
1/2 <sup>th</sup>	\$151.50
3/4 <sup>th</sup>	\$165.00
1.0	\$180.00
1.5	\$225.00
2.0	\$375.00
3.0	\$750.00
4.0 or greater	\$1,500.00

(b) The quarterly consumption surcharge shall be \$6.80 for each one thousand gallons, or fraction thereof, of water recorded on the Property's municipal water meter.

(c) Where a Property contains more than one municipal water meter, the quarterly flat base rate shall be separately charged for each meter, but the quarterly consumption charge for the property shall be calculated by aggregating the water use from all meters.

3. **Adjustment for Certain Mixed-Use Properties.** Where a Mixed-Use Property contains some residential service addresses, each residential service address on the Property shall be separately billed a quarterly flat base rate charge of \$136.50, in addition to the quarterly flat base rate charge imposed under subsection 3(a) above; but the quarterly consumption charge shall be adjusted by reducing the water usage for the Property by 9,000 gallons for each separate residential service address located on the Property (subject to a minimum quarterly surcharge for the Property of \$20.40).
4. **Billing.** All properties shall be billed quarterly for all charges imposed under this Resolution
5. **Delinquent collections** - All fees imposed on delinquent sewer accounts sent for collection to Central Credit Audit, LLC and pursuant to the Collection Agreement, will be responsible by the owner of the property. These fees and costs shall be in addition to all other penalties, interest and costs currently imposed on delinquent sewer rentals under the City Code.

**Sewer Billing Shut-Off Notice** \$40.00
