

Education Resources

There are many resources to get an education.

Community Education Center of Elk and Cameron Counties offer ways to continue education. They offer short-term commitments with non-credit courses in a variety of subjects and long term-commitments in degree programs. www.communityedcenter.com.

Apply for financial/student aid and grants to ease some of the costs upfront. www.pheaa.org is one of the largest student aid organizations.

Perhaps a trade school vs. a university is something to consider.

Occupational Vocational Services are there to offer services for those with disabilities amyrobert@pa.gov or call Amy at 814.603.0743.
