RE: Annual Recycling Report

Hello everyone,

The annual recycling report for calendar year 2024 will be a bit of a departure from years' past. The report form will be mailed by the City, however, responses should be mailed/mailed to me at the Elk County recycling office.

Many of you already use the Community Recycling Center for your recycling. If that is the case, simply note that on the recycling report form. If you use another hauler to manage your recyclables, please include any paperwork provided by the hauler.

It's been a very long time since this office handled the annual recycling report for the City, so please include a contact name and number/email in case I have questions.

The report forms are due back to me by Feb. 1.

If you want to email the completed form and accompanying paperwork, send it to me at: [btitchner@elkrecycling.com](mailto:btitchner@elkrecycling.com)

Our mailing address is:  
Elk County Recycling Office  
850 Washington Street  
St. Marys, PA 15857

If you have any questions, feel free to email or call the office at 814-776-5373.  
Thank you in advance for your patience.

Sincerely,

Bekki Titchner  
Elk County Recycling/Solid Waste Coordinator
